Junior Summer Centre 2024
University College Cork Campus

Cork, a linguistic adventure

Traditional, authentic, historic

Based in University College Cork, within walking distance from the city centre, CES Cork is the perfect base for exploring history and culture whilst learning English with our team of experienced summer staff.

This is a programme for junior students (ages 12– 17). Lessons are Monday to Friday, and help students with their day-to-day use of the English language, while also touching on areas of Irish history and culture.

There is a social programme included as part of this course which offers daily tours, cultural experiences and activities. In addition, a full-day tour on Saturday makes this an unmissable opportunity.
