

## Supervision Notes for Parents of Group Students Aged 16-17 with Group Leaders Studying in adult classes

In the UK anyone under the age of 18 is legally considered a child. CES takes the following steps to ensure the safety and security of young learners studying on closed group programmes or in adult classes in the adult school:

- We make sure group leaders check all of their students are present first thing in the morning
- Teachers complete a register before every class and tell us immediately if a student is absent
- Families hosting students under the age of 18 receive 'Guidance Notes' covering what is expected of them in terms of supervising your son and/or daughter.
- We offer a special social programme for students in this age range. Students take part in this programme under our supervision and as part of their group (with their group leaders also)
- We hold specific inductions for young group students. This induction covers all the same topics as the regular induction but more time is spent on:
  - Laws relating to smoking/alcohol/drugs
  - What to do if a student has a problem/who to call/how to call emergency services
  - What to do if a student is arrested
  - Curfew times
  - How to deal with aggressive behaviour on the street
  - Importance of queuing /saying please / thanks you/ speaking quietly on public transport
  - Importance of speaking to us if a student has a problem
  - How to spend spare time
- We risk assess all activities
- We have strict curfew times and rules for students under the age of 18. These curfew times are written in student handbooks and all of our host families are aware of these times. These curfew times are reproduced later in this document. **It would help us greatly if you could go through these rules and expectations with your son or daughter before they come to the UK**
- We have appropriate numbers of staff trained in first aid
- Homestay hosts are told when to expect the students to come home after classes and to monitor them according to the curfew times set for their ages in the evenings
- We have a dedicated link on the CES website which covers how we care for this age group : [Policy | Centre of English Studies | CES \(ces-schools.com\)](#)
- **We have specific curfew times for students under the age of 18 which are clearly written in handbooks each student receives. They are reproduced below along with our school rules. Please help us by explaining these curfew times and rules to your son and or daughter.**
- We take personal details from every student so that we have contact details for a responsible person back home whom we may contact in the event of an emergency
- All of our staff receive Safeguarding training
- We have a fully trained Designated Safeguarding Lead
- Students have access to a 24 hour emergency phone number. This number is printed on individual student cards
- **Please note that the full CES Child Protection and Safeguarding Policy is available on our website: [Policy | Centre of English Studies | CES \(ces-schools.com\)](#)**

We put the following information into junior student handbooks. We ask you to read these handbooks with your son or daughter before they come to the UK and to make sure they understand this information.

## **Bullying and abusive behaviour**

### *What is 'bullying'?*

'Bullying' is when a person wants to hurt another person with bad words or bad actions. A person who does this is called a 'bully'

Students come to CES from all over the world and we want everyone to be happy. We will not accept bullying at all. If we think any person has bullied another person we may send the bully home immediately. Please look at the Disciplinary procedure above.

If you feel that another student (or member of staff) is bullying you, please:

- speak to the person doing the bullying to see if you can stop the bullying
- If the bullying does not stop then speak to your teacher
- Your teacher will know what to do to help you

**If someone is giving you problems, *please speak to us. We will send bullies home!***

**In addition to the above school rules, the following Code of Conduct is printed in all student handbooks. Please read through this Code of Conduct with your son/daughter before he or she comes to the UK.**

Everyone at CES is important. No-one is more or less important than other people. Students, staff, and homestay hosts should all feel comfortable, safe, important and respected. We need your help to make sure this happens.

We ask you to agree to these things:

- Accept and respect different beliefs and cultures.
- Be honest, polite and respectful to other people (students, staff and hosts).
- Do not take part in inappropriate sexual behaviour
- Do not act in a racist way
- Do not show religious intolerance
- Please look after school property (= our computers, tables, chairs, carpets, DVDs, etc.).
- Please look after your hosts' property.
- Be safe. Take care for the safety of other people.
- Only use the school computers for your studies. Please do not try to use illegal (bad) websites.
- Switch off your mobile phone during lessons
- Follow school rules and British laws and customs.

**Please note, there will be times when your son or daughter is not supervised by a member of CES staff. We cannot supervise every student 24 hours a day. That is why we require you to complete the consent letters (Consent to Travel and Medical Consent) contained in this package and to send it back to us. However, we hope that the measures we have put in place will mean that your son or daughter has a safe and problem free stay with us in the UK and at CES Leeds.**
