

Supervision Notes for Parents of Group Students on Summer Young Learner Programmes

In the UK anyone under the age of 18 is considered a child in the eyes of the law. As such, we have an extra care of duty towards this group of students to ensure that their welfare needs are properly met and that they have a safe and secure time with us here at CES.

- We hold specific inductions for young learners. This induction covers
 - ❖ Laws relating to smoking/alcohol/drugs
 - ❖ What to do if they have a problem/who to call/how to call emergency services
 - ❖ What to do if they are arrested
 - ❖ Curfew times
 - ❖ How to deal with aggressive behaviour on the street
 - ❖ Importance of queuing /saying please / thanks you/ speaking quietly if in buses etc
 - ❖ Importance of speaking to us if they have a problem
- We have appropriate numbers of staff trained in first aid
- We have strict curfew times and rules for students under the age of 18. These curfew times are written in student handbooks and all of our host families are aware of these times. These curfew times are reproduced here. **It would help us greatly if you could go through these rules and expectations with your son or daughter before they come to the UK**
- Host families are instructed to know of the whereabouts of their young students at all times when they are not in school and to have a contact phone number for them
- We offer compulsory afternoon activities 5 times a week (Monday to Friday) and students are supervised on site until 4.30pm during weekdays. Strict registers are kept in the mornings and afternoons and any absences are followed up immediately. Students are instructed to go home immediately after class for evening meals so host families know to expect them home between 5 and 5.30 every afternoon.
- We have a special disco for young learners one evening a week. We provide buses to take students home from the disco to the general area where they are living. They will then need to walk home from where the CES bus drops them to their host family. It is not a door to door service but we 'buddy' them up with other students in the area so that they are not walking home alone
- For students not within walking distance of the school, we arrange buses to collect them from pick up points close to their houses in the morning and to take them back to the same points in the evening. We expect students to return to their host family directly after school in the afternoon. Host families are told when to expect the students to come home after classes and to monitor them according to the curfew times set for their ages in the evenings. Students are expected to be at home in the evenings unless:
 - ❖ **Attending the school organised disco (for which transportation is provided)**
 - ❖ **On an activity organised and supervised by their group leader**
 - ❖ **Out with friends with the knowledge of their host family and in strict accordance with our curfew times**
- We try to place students in a group in the same physical area so they can walk home together so that they may walk home together
- We take personal details from every student so that we have contact details for a responsible person back home whom we may contact in the event of an emergency
- All of our staff receive child protection training
- Although we try to place your son or daughter within walking distance of the school, this is not always possible, especially during the summer months.

- Students have access to a 24 hour emergency phone number. This number is printed on individual student cards
- Your son or daughter will also have access to their group leader's phone 24 hours a day
- CES staff will work closely together with group leaders to ensure the safety and security of your son or daughter
- **Please note that the full CES Child Protection and Safeguarding Policy is available on our website: [Policy | Centre of English Studies | CES \(ces-schools.com\)](#)**

We put the following information into junior student handbooks. We ask you to read these handbooks with your son or daughter before they come to the UK and to make sure they understand this information.

Bullying and abusive behaviour

What is 'bullying'?

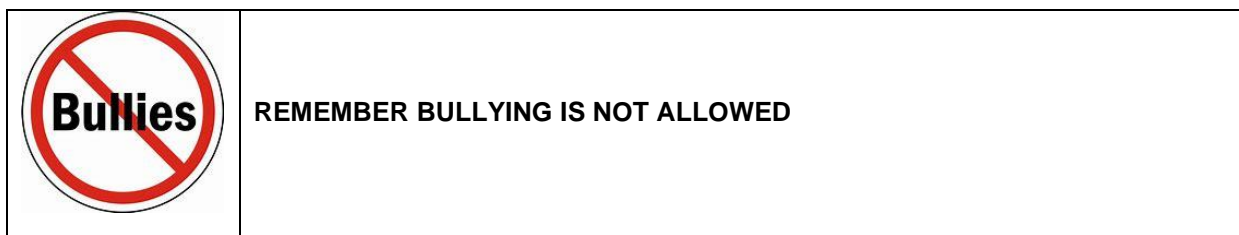

'Bullying' is when a person wants to hurt another person with bad words or bad actions. A person who does this is called a 'bully'

Students come to CES from all over the world and we want everyone to be happy. We will not accept bullying at all. If we think any person has bullied another person we may send the bully home immediately. Please look at the Disciplinary procedure above.

If you feel that another student (or member of staff) is bullying you, please:

- speak to the person doing the bullying to see if you can stop the bullying
- If the bullying does not stop then speak to your teacher
- Your teacher will know what to do to help you

If someone is giving you problems, please speak to us. We will send bullies home!

In addition to the above school rules, the following Code of Conduct is printed in all student handbooks. Please read through this Code of Conduct with your son/daughter before he or she comes to the UK.

Everyone at CES is important. No-one is more or less important than other people. Students, staff, and homestay hosts should all feel comfortable, safe, important and respected. We need your help to make sure this happens.

We ask you to agree to these things:

- Accept and respect different beliefs and cultures.
- Be honest, polite and respectful to other people (students, staff and hosts).
- Do not take part in inappropriate sexual behaviour
- Do not act in a racist way
- Do not show religious intolerance
- Please look after school property (= our computers, tables, chairs, carpets, DVDs, etc.).
- Please look after your hosts' property.
- Be safe. Take care for the safety of other people.
- Only use the school computers for your studies. Please do not try to use illegal (bad) websites.
- Switch off your mobile phone during lessons
- Follow school rules and British laws and customs.

Please note, there will be times when your son or daughter is not supervised by a member of CES staff. We cannot supervise every student 24 hours a day. That is why we require you to complete the consent letters (Consent to Travel and Medical Consent) contained in this package and to send it back to us. However, we hope that the measures we have put in place will mean that your son or daughter has a safe and problem free stay with us in the UK and at CES Leeds.
